Membership is recognized on a local, state and national level. It may not seem like it makes much of an impact at only a few dollars per person, however, to those with developmental or intellectual disabilities and their families who receive services and supports through The Arc, it means everything.

For only \$10, YOU can make a difference!

As an added incentive, if you pay your membership dues on or before June 30, 2016, you will qualify for a raffle that will be drawn at our fundraising event, "An Evening on the Lake." You need not be present to win.
